Indoor Block Draw September 17th 7pm

Attending the block party enables you to choose any available court time when your name is drawn. However, if you cannot attend, a Proxy may be used. Please include all names of individuals sharing your block time. If your name is drawn and your block group has already gotten their desired time, your second choice is honored (if the court time is available).

**ALL BLOCK TIME REQUEST FORMS MUST BE RECEIVED AT THE FRONT DESK
BY 4:00PM Monday, September 15th**

- Only **members** can sign up for blocks. **Guests** may however, substitute **3 times a season** and Guest fee applies. **Block captains will be responsible for guest fees not paid by guests.** Any guest fee unpaid after the block play completes for the day will be billed to the block captain's T-Card.
- It is the responsibility of the block captain whose name is drawn to collect the season's court fees from the other members in the group. The block captain must **pay in full before October 15th** or the block time will be canceled for that group.
- Block time is for a specific time of play and not for any specific court number. Players should expect to play on different courts each week.
- If weather permits and your block chooses to play outside, you will not be reimbursed for that time.

Please circle: **ATTENDING** or **PROXY (Not Attending)**
